### Passover and the Days of Unleavened Bread

God later sent Jesus Christ to die for us - to be our Passover "Lamb". But the night before Jesus died, He changed the way we keep the Passover.

At Passover, baptized adults now wash each other's feet, eat a small piece of unleavened bread and drink a little wine. This reminds them of what Jesus did for us.

God told the Israelites to keep the Days of Unleavened Bread by putting leaven out of their homes and by eating unleavened bread for seven days. He commands us to do the same.

### Passover and the Days of Unleavened Bread

Jesus died so our sins can be forgiven and we can be saved from the penalty of death. But after that, something amazing happened! Three days and three nights after Jesus died for us, God resurrected Him to eternal life! And this was also an important part of God's Plan. It's because of Jesus' death AND resurrection that we can

live  
forever  
in  
God's Family!
