## The Day of Pentecost

This is a two-page puzzle. You will need Page 1 and Page 2 in front of you.

*Instructions: Hidden in the letters below are four events that happened on the Day of Pentecost. To find out what they are, you need to write down every other letter in the spaces on Page 2, starting with the capitalised second letter (and the capitalised second letters after the full stops that separate the events). You may find it easier to circle these letters or colour them in before writing them down on the next page.*
