

Where Did They Come From?

The Day of Pentecost

Instructions: There were many Jews gathered in Jerusalem on the Day of Pentecost. The names of the cities and countries that they came from have been mixed up with other place names on the next page. See if you can find the correct names and write them in the spaces below (the first letters have been done for you).

If you need help you will find the names listed in Acts 2:9-11, but see how many you can do on your own first. When you have finished, see if you can find the countries and cities on one of the maps at the back of your Bible.
