

The Feast of Tabernacles

When Jesus Is King

This is a simplified overview of the Feast of Tabernacles for younger children. Please check the lessons for older children for more information and for scriptures that support the text.

The Feast of Tabernacles teaches us what the world will be like when Jesus is King. Things will be very different!

When Jesus is King, everyone will learn to obey God and this world will be a happy place! Everyone will keep the Sabbath and Holy Days, just like we do now.

When Jesus is King, people won't steal from each other or kill each other. And there won't be any more wars!

A Safe, Happy Place

When Jesus is King, the world will be a safe place. It will be safe for children to play outside by themselves - even at night-time! No one will have to worry about bad people who do wicked things because no bad people will be there!

When Jesus is King, wild animals will be tame and little children will play with them! And animals won't kill each other any more. Instead, leopards will lie down to rest with goats. Wolves and lambs will eat together. And lions will eat hay!

When Jesus is King, there won't be any sick people, or deaf people, or blind people - because God will heal them all! And there will be plenty of food for everyone to eat.

The world will be a wonderful place when Jesus is King. He will be the best King this world has ever had!
